

# Stationary Camera Checklist

- ❑ Before Rehearsal
  - Take off Lens Cap
  - Unlock Tripod
  - Check Front and Back Focus
  - White balance all cameras (Check with Director before doing so)
- ❑ During Rehearsal
  - Pay attention to director.
  - Make sure to be on cue throughout the run-through.
  - Practice shots.
  - Take notes on levels and remember settings.
- ❑ During Service
  - Follow director.
- ❑ After First Service
  - Check with director on how it went.
- ❑ After Last Service
  - Lock Tripod
  - Replace lens cap
  - Make sure camera is off from control room.
  - Check with Shader if it is not.

**Note:** Lock the Tripod any time you are not holding the camera arms.
